the brand

We’ve created MAYLILY to bring innovation and beauty into baby & children textile products market. The company was established in 2012 and with production located in Poland has been delivering excellent quality products to its customers around the world since then.

inspiration

With the birth of our first daughter Helena, the idea to start the company came. Both our children are an inexhaustible source of ideas and inspire us each day to develop new products. As well, our custormes give us the power to work and create.

responsibility

SLOW FASHION

we are an indepentend company focused on: quality, long-term collections and production on demand

ECO FASHION

we use only certified fabrics and have no remnants production

ETHICAL FASHION

100% production in Poland - good employments conditions and friendly work atmosphere

PRODUCTS

sweet dreams

The first months of life are filled with sleep
and intensive development during it.
Our products provide a safe and gentle
embrace so the rest is complete and moments
after waking up are full of joy.
